SUBJECT: Rule 105 Requirement for the Patent application 09/687,510.

Applicant and assignee of this application are required under 37 CFR 1.105 to provide the following that the examiner has determined is reasonably necessary to the examination of this application. The application 09/687,510 filed on 10/12/2000 claims the priority of the provisional applicant 60/159,129 filed on 10/12/1999, the provisional application 60/159,129 contains screen shots of a commercial product of the Interactive Internet IP site. The examiner requires information of the Interactive Internet IP Site that has been available, known or used by others in this country, or described in a printed publication in this or a foreign country. All required items must predate the provisional applicant 60/159,129 filed on 12/19/1999.

The following is required:

- a. Any information including written description, drawing, code and any other documentation to support this Interactive Internet IP Site.
- b. A web address for an Interactive Internet IP site.

c. Any information related to this commercial product (shown in the screen shots) including but not limited to when the product was developed and deployed.

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56 where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained will be accepted as a complete reply to the requirement for that item.

In response to those requirement copies of document, if the required document is a bundled text or a single article over 50 pages, the requirement may be met by providing copies of those pages that provide the particular subject matter indicated in the requirement, or where such subject matter is not indicated, the subject matter found in the applicant's disclosure.

The fee and certification requirement of 37 CFR 1.97 are waived for those documents submitted in reply to this requirement. This waived extends only to those documents within the scope of this requirement under 37 CFR 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosure beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirement of 37 CFR 1.97.

This requirement is subject to the provisions of 37 C.F.R. 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
